

ACU Business Services

INTERNATIONAL PAYMENTS

ACU has partnered with Veem to offer your business an easy way to SEND OR RECEIVE PAYMENTS TO OVER 60 COUNTRIES at a rate much lower than what your bank charges you today – giving you more time and money to put back into your business and not into archaic payment methods. With Veem, you will pay no wire fees to send payments!

- Pay and get paid in just one click
- Monitor payments and keep track on our dashboard
- Full customer support on every payment from start to finish

Your transactions are secure and insured. Veem is insured and licensed and your security is first priority. Veem uses the most sophisticated, industry-leading technology security protocols available on the market. All information stored, shared or uploaded on the platform is encrypted with the most advanced tools available.
