## SAVINGS

No matter how big or small your business is, our ACU Business Savings account can grow your idle funds. You need a savings account that works as hard as you do!

- Earn 1.00% APY for the first 12 months (up to \$1 Million)\*
- Earn .40% APY after the first year\*
- No minimum balance to earn dividends

For more information please call 253-591-6881 or visit any ACU location. Thank you for choosing America's Credit Union.

\* APY = Annual Percentage Yield. Earn 1.00% APY Introductory Offer: Offer begins when qualifications are met and expires 12 months after the savings account is opened. The introductory rate applies to the first \$1,000,000. All portions of balances over \$1,000,000 will earn the standard rate (.40% APY as of 8/1/17). To qualify, you must open a new ACU Business Savings and Checking account and have a qualified business loan under that account. \$25 minimum balance in a savings account is required for membership.

*Your savings are federally insured to at least \$250,000 and backed by the full faith and credit of the United States Government, National Credit Union Administration, a U.S. Government Agency.*
