A penalty of up to 90 days of dividends may be imposed for early withdrawal on Share Certificates and Performance Saver Accounts and will affect earnings on the account. New money is defined as funds not currently held on deposit. Membership is required for a checking account and must include a savings share with a minimum of \$25 opening deposit. The terms applicable to your deposit accounts at ACU are provided in a separate Truth-in-Savings Disclosure, available upon request.

- To earn dividends, you must have a direct deposit of at least \$500 per month.
